THE COMPANY/ L'ENTREPRISE/ DIE FIRMA

IT Un percorso iniziato oltre 20 anni fa nel cuore del distretto ceramico sassolese, continuamente contro tendenza ed alla ricerca di uno stile unico, inconfondibile. Studiamo progetti nel piccolo formato ceramico che nascono dai più ricercati mix di colore, materia e forma per creare una gamma che congiunga minimalismo e decorazione. Self Style nasce dalla volontà di creare idee, ambienti, stili per dare a ciascuno la possibilità di riflettere la propria personalità nella casa e negli ambienti in cui vive.

Il nostro stile vuole essere reinterpretato e rimodellato da chiunque a modo proprio, Your Style Self made, stimola il nostro cliente a partecipare alla realizzazione dei propri progetti, riconoscendosi in uno Stile tutto suo.

GB A journey that began over 20 years ago in Sassuolo, the heart of the Italian ceramic district, continuously against the trend and in search of a unique, unmistakable style. We have been specializing in small size ceramic projects that arise from the most refined combinations of colors, materials and shapes to create a product range that combines minimalism and decoration. Self Style was born from the desire to create ideas, environments, styles to give everyone the opportunity to reflect their own personality in their home and in the environments that surround them.

Our style wants to be reinterpreted and remodeled by anyone in their own way, Your Style Self made, stimulates our client to participate in the realization of their projects,

recognizing themselves in their own Style.

FR Un voyage qui a commencé il y a plus de 20 ans au cœur du quartier de la céramique sassolaise, continuellement à contre-courant et à la recherche d'un style unique et incomparable.

Nous étudions des projets au petit format céramique qui résultent du mélange le plus raffiné de couleur, de matière et de forme pour créer une gamme qui allie minimalisme et décoration. Self Style est né du désir de créer des idées, des environnements, des styles pour donner à chacun la possibilité de refléter sa propre personnalité dans la maison et dans les environnements dans lesquels il vit. Notre style se veut réinterprété et remodelé par chacun à sa manière, Your Style Self made, stimule nos clients à participer à la réalisation de leurs projets, en se reconnaissant dans un Style qui leur est propre.

DE Eine Reise, die vor über 20 Jahren im Herzen des Keramikviertels von Sassuolo begann; kontinuierlich gegen den Trend und auf der Suche nach einem einzigartigen unverwechselbaren Stil.

Wir gestalten Projekte im kleinen Keramikformat, die sich aus der raffiniertesten Mischung von Farben, Materialien und Formen ergeben, um ein Sortiment zu kreieren, das Minimalismus und Dekoration kombiniert. Self Style entstand aus dem Wunsch heraus, Ideen, Ambiente und Stile zu schaffen, die die eigene Persönlichkeit in der Wohnung und im jeweiligen bewohnten Ambiente widerspiegeln.

Unser Stil möchte von jedem auf seine eigene Weise neu interpretiert und gestaltet werden. Your Style Self made möchte unsere Kunden dazu anregen, an der Realisierung eigener Projekte teilzunehmen und sich im eigenen Stil wiederzuerkennen.

Natura

In natura si cela la forma d'arte più pura e antica che l'uomo conosca. Da qui l'ispirazione per la collezione Natura dove forme e colori imprinono non solo semplice espressione estetica, ma il concetto di "abitare" ... vivere nel tempo.

In nature, hides the most pure and antique form of art that man has ever known. From this the inspiration for the Natura collection, where shapes and colours represent not only an aesthetic expression but the concept of ... "living" through time.

Cloud

Nasce dalla tradizione giapponese la ricerca della materia su Cloud, con il risultato di una perfetta fusione tra il passato e la ricerca moderna. Il suo smalto con successiva applicazione di graniglia crea il contrasto glossy e matt, di linearità e di materia, caratteristiche che rendono questa serie tanto preziosa.

The research on Cloud range belongs to the Japanese tradition, with the result of a perfect combination between old and modern. The glaze with a second application gives this perfect contrast between glossy and matt, and also makes the range so valuable.

Victorian

La passione per gli anni 40, simbolo dello stile metropolitano parigino, che in Victorian ritrovano il loro massimo splendore, con un diamantato elegantemente proposto in abbinamento a strutture piú regolari. Victorian é la modernizzazione, per il suo formato di estrema attualità, di uno stile intramontabile, in grado di creare ambienti luminosi e dinamici con un gioco di luci e ombre estremamente suggestivo.

The passion for the 40s, symbol of a parisienne metropolitan style, is what Victorian express at its best, with a bevelled-edge elegantly proposed together with more regular options. Victorian is a new design adaptation of a timeless style, able to create bright and dynamic interiors that play with the evocative contrast between light and dark.

Elements

Elements traduce il fascino della materia in un prodotto contemporaneo e vintage allo stesso tempo. Uno stile minimal adatto ad atmosfere industriali, essenziali o rustiche, da rivivere in chiave moderna, che si traduce in un ambiente senza tempo.

Elements translates the charm of matter into a product contemporary and vintage at the same time. A minimal style suitable for industrial atmospheres, essential or rustic, to be relived in a modern key, which results in a timeless environment.

NEW *Colours* Terrazzo

A Venezia nel XVI secolo nasceva il pavimento alla veneziana, "cocciopesto", successivamente definito Terrazzo. Da allora questa lavorazione divenne un'arte e questomateriale fu subito sinonimo di raffinatezza e classe nell'arredamento.

In Venice, during the XVI century, the venetian "cocciopesto" floor was created, subsequently defined as Terrazzo. From that moment on, this production technique became an art form and this material became synonymous with class in home furnishing.

Condizioni generali di vendita

GENERAL CONDITIONS OF SALE / CONDITIONS GÉNÉRALES DE VENTE /
ALLGEMEINE VERKAUFSBEDINGUNGEN

IT 1) Tutti gli ordini si considerano accettati da SELF alle condizioni sotto elencate, nessuna esclusa, anche se non espressamente richiamate e/o ripetute su ciascun ordine.
2) Gli ordini, trasmessi dall'Agente o pervenuti dal Committente, sono da intendersi sempre «salvo approvazione della Casa». Tutti gli ordini dovranno essere inoltrati in forma scritta.
3) I prodotti sono garantiti conformi alle normative tecniche generali inerenti i materiali stessi, nonché agli usi del settore. La garanzia ricopre i soli materiali in prima scelta. I prodotti in sottoscelta e lo stock sono venduti con la clausola «visto e piaciuto». Eventuali reclami inerenti vizi del materiale in prima scelta dovranno essere inoltrati in forma scritta a SELF, entro 8 (otto) giorni dal ricevimento della merce. Non si accetteranno contestazioni su materiale già posato o per danni derivanti da uso e lavorazione impropria dello stesso. La garanzia è limitata ai soli prodotti difettosi, con espressa esclusione di ogni altra pretesa od onere accessorio.
4) Il materiale viaggia a rischio e pericolo dell'Acquirente in quanto reso «franco fabbrica». Tale condizione è valida anche nel caso di utilizzo di Vettore e/o Spedizioniere da noi contattato e pagato anticipatamente nell'interesse dell'Acquirente stesso e/o nel caso di vendita «franco destino». Ad ordine ritirato, non potranno essere imputate a SELF responsabilità circa eventuali danni, ammanchi e/o manomissioni del carico stesso. Il termine di consegna è da considerarsi, a favore di entrambe le parti, orientativo e non essenziale, salvo diverso accordo scritto. Se nelle modalità di pagamento è prevista una caparra confirmatoria o un acconto, il termine di consegna decorrerà dal giorno del suo effettivo pagamento.
5) Nel caso di eventi geo-politici eccezionali, scioperi, difficoltà di approvvigionamento, cause di forza maggiore, etc., SELF potrà rimandare a tempo indeterminato le consegne o recedere dal contratto di fornitura.
6) I pagamenti dovranno essere effettuati tutti presso la nostra sede in Sassuolo (MO) o presso istituto bancario da noi indicato. Il ritardato pagamento oltre il termine pattuito, senza altro avviso, farà decorrere il calcolo degli interessi di mora in ragione del tasso ufficiale di sconto in vigore al momento, maggiorato di 4 (quattro) punti percentuali.
7) I prodotti sono venduti con riserva di proprietà ai sensi degli art. 1523 e seguenti del C.C. Italiano; l'Acquirente acquista la proprietà dei prodotti, solamente con il pagamento dell'ultima rata della Fattura.
8) Le condizioni generali di vendita ed i rapporti da esse disciplinati sono redatti e regolati, per quanto in essi non espressamente previsto, dalla Legge Italiana. Per ogni controversia è competente il Foro di Modena.
9) L'entrata in vigore di un nuovo listino annulla e sostituisce automaticamente i precedenti, con effetto immediato. I prezzi del listino si intendono Franco Fabbrica ed al netto di IVA.

GB 1) All orders are considered accepted by SELF on the conditions listed below, with no exclusions, even if they are not expressly referred to and/or repeated on each order.
2) Orders sent by the Agent or received from the Purchaser are always to be considered "subject to SELF's approval". All orders must be sent in written form.
3) Products are guaranteed to comply with the general technical standards concerning the materials themselves, and to the usual practice in the sector. The warranty only covers first grade materials. Products of lower grades and stocks are sold on the condition "seen and approved". Any claims regarding faults in first grade material must be sent to SELF in writing within 8 (eight) days after receipt of the goods. No claims will be accepted on materials already laid or for damage deriving from improper use or processing of the same. The warranty is limited to the faulty products only, with express exclusion of all other related claims or charges.
4) The material travels at the Purchaser's risk since the delivery terms are ex-works. This condition also applies in case of use of a carrier and/or forwarding agent contacted and paid in advance by us on the Purchaser's behalf and/or in case of sales made freight prepaid. Once the order has been collected, SELF cannot be held liable for any damage, shortfalls and/or tampering with the load. The delivery date is to be considered guideline and non-essential with regard to both parties, unless otherwise agreed in writing. If the payment terms envisage a confirmatory deposit or a down payment, the delivery period shall be counted from the day of actual payment of such sums.
5) In case of exceptional geo-political events, strikes, difficulties in obtaining supplies, circumstances of force majeure, etc., SELF may postpone deliveries indefinitely or withdraw from the supply contract.
6) Payments must all be made to the SELF registered office in Sassuolo (Modena) or to the specified banking institute. Delay in payment beyond the agreed date will trigger, without further notice, calculation of interest for delayed payment at the official discount rate in force at the time, increased by 4 (four) percentage points.
7) Products are sold with retention of property rights under art. 1523 and following articles of the Italian Civil Code. The Purchaser does not acquire the property rights to the products until payment of the last invoice's instalment.
8) The general conditions of sale, and the relationships which they govern, are drafted under and governed with regard to all terms not expressly envisaged by Italian Law. The Modena Law Court has sole jurisdiction over any disputes.
9) The introduction of a new price list automatically annuls and replaces the previous editions, with immediate effect. List prices are ex-works.

FR 1) Toutes les commandes sont considérées acceptées par SELF aux conditions mentionnées ci-dessous, sans exclusion, même si ces dernières ne sont pas expressément rappelées et/ou répétées sur chaque commande.
2) Les commandes, transmises par l'agent ou envoyées par l'acheteur, s'entendent toujours «Sous réserve d'approbation par la Société».
3) Les produits sont garantis conformes aux normes techniques générales relatives aux matériaux mêmes et sur les utilisations du secteur. La garantie couvre uniquement les matériaux de premier choix. Les produits en sous-choix et le stock sont vendus avec la clause «vu et accepté». D'éventuelles réclamations sur les vices du matériau de première choix devront être faites par écrit et expédiées à SELF dans 8 (huit) jours dès la réception de la marchandise. Aucune contestation ne sera acceptée sur les matériaux déjà posé ou pour des dommages dérivant d'une utilisation et d'une pose impropres de ceux-ci. La garantie est limitée aux seuls produits défectueux, avec exclusion expresse de toute autre prétention ou de tous frais accessoires.
4) Le matériau voyage aux risques et périls de l'acheteur car la livraison est «franco départ usine». Cette condition est également valable dans le cas de transport par transporteur et/ou expéditionnaire auquel nous nous adressons et qui est payé d'avance dans l'intérêt de l'acheteur et/ou dans le cas de vente «franco destination». Après retrait de la marchandise, aucune responsabilité ne pourra être imputée à SELF sur les éventuels dommages, manques, et/ou altérations du chargement. Le délai de livraison, pour les deux parties, n'est pas impératif et n'est donné qu'à titre purement indicatif, sauf accord écrit différent. Si, dans les modalités de paiement, une avance ou un acompte sont prévus, le délai de livraison sera calculé à compter du jour du paiement effectif.
5) Dans le cas d'événements géopolitiques exceptionnels, grèves, difficultés d'approvisionnement, causes de force majeure, etc., SELF pourra repousser les livraisons à temps indéterminé ou résilier le contrat de fourniture.
6) Le lieu de paiement est notre siège de Sassuolo (MO) ou près une institution bancaire par nous indiquée. Le paiement effectué au-delà du délai fixé, sans autre avis, entraînera le calcul des intérêts de retard selon le taux officiel d'escompte en vigueur à ce moment-là, majoré de 4 (quatre) points de pourcentage.
7) Les produits sont vendus avec réserve de propriété aux termes de l'art. 1523 et suivants du C.C. italien. Le transfert de propriété des produits à l'acheteur n'aura lieu qu'après paiement total de la facture.
8) Les conditions générales de vente et les rapports qui en découlent sont régis, quand ce n'est pas expressément prévu par celles-ci, par la loi italienne. Toutes les contestations sont de la compétence du Tribunal de Modena.
9) L'entrée en vigueur d'un nouveau tarif annule et remplace automatiquement les précédents, avec effet immédiat. Les prix du tarif s'entendent franco usine.

DE 1) Alle von Self Style akzeptierten Aufträge binden uneingeschränkt nachfolgende Konditionen ein, auch wenn diese nicht ausdrücklich auf den einzelnen Aufträgen wiederholt aufgeführt sind.
2) Alle Aufträge, von Handelsvertretern gesendet bzw. vom Besteller erhalten, unterliegen stets der „Annahme von Self Style“. Alle Bestellungen müssen in schriftlicher Form erfolgen.
3) Die Produkte entsprechen garantiert den generellen technischen Normen – analog dem genutzten Material sowie dem gewöhnlichen Gebrauch in dem Sektor. Die Garantie bezieht sich nur auf Material erster Wahl. Die Artikel zweiter Wahl bzw. Lagerware werden unter „gesehen und genehmigt“ vertrieben. Evtl. Beanstandungen von Material erster Wahl müssen an Self Style schriftlich und innerhalb von acht (8) Tagen nach Wareneingang vorgenommen werden. Reklamationen von Material, welches bereits verlegt wurde oder welches Schäden durch unsachgemäße Nutzung bzw. Lagerung aufweist, werden nicht akzeptiert.
4) Die Versandbedingungen lauten „ab Werk“, daher gehen jegliche Gefahren des Versandes der Ware auf den Abnehmer der Ware über. Diese Konditionen greifen auch, wenn wir den Versand auf Wunsch des Käufers durch ein Speditionsunternehmen bzw. Kurierdienst und dieser im voraus bezahlt wurde bzw. „frei Haus“ vornehmen. Für vom Werk abgeholte Ware kann Self Style für Schäden, Verlust oder Diebstahl nicht mehr verantwortlich gemacht werden. Die Versanddaten sind Richtlinien und nicht bestimmend; ausgenommen bei schriftlichen Vereinbarungen. Wenn die Zahlungsbedingungen eine An- bzw. Vorauszahlung vorsehen, fängt die Versandfrist nach Erhalt dieser an.
5) Bei außergewöhnlichen geopolitischen Gründen, Streiks, Lieferschwierigkeiten, höhere Gewalt oder ähnlichem behält sich Self Style das Recht vor, die Lieferungen auf unbefristete Zeit aufzuschieben, bzw. komplett vom Kaufvertrag zurückzutreten.
6) Zahlungen müssen stets an unseren Firmensitz in Sassuolo (MO) bzw. mittels eines von uns angegeben Kreditinstitutes vorgenommen werden. Zahlungsverzögerungen, die sich nach der vereinbarten Zahlungsfrist ergeben und welche nicht vorab mitgeteilt wurden, unterliegen Verzugszinsen, welche sich in Hinsicht auf dem in dem Moment offiziell gesetzlich geltenden Diskontsatz berechnen – erhöhend um 4 (vier) Prozent.
7) Wir behalten uns das Eigentum an den gelieferten Produkten, gemäß Artikel 1523 des Zivilgesetzbuches, bis zum Eingang aller Zahlungen der Rechnung aus dem Liefervertrag vor.
8) Die Allgemeinen Geschäftsbedingungen und denen daraus abgeleiteten Geschäften, unterliegen in Bezug auch auf alle nicht ausdrücklich erwähnten Konditionen, dem Recht des italienischen Gesetzes. Vertraglich vereinbarter Gerichtsstand ist Modena.
9) Die Einführung einer neuen Preisliste annulliert und ersetzt automatisch die bisher gültige mit unverzüglicher Wirkung. Alle Preise verstehen sich „ab Werk“ inkl. MwSt..

Le caratteristiche tecniche indicate nei cataloghi di linea, nel Catalogo Generale e in qualsiasi documento di promozione commerciale di Self Style hanno lo scopo di dare un'indicazione dei valori riscontrati nei vari lotti e nelle varie tonalità del prodotto, pertanto differenze rispetto a tali valori indicativi non possono essere oggetto di contestazione.

All technical features stated in leaflets, in master brochure and in merchandising of Self Style are meant to be an indication of an average of figures recorded within a span (determined by international law) in several production runs, therefore a slight discrepancy in quality figures of a certain batch in relation to these figures cannot be considered a production failure.
